MAGNIFICAT INSTITUTE

The Magnificat Institute in the Holy City of Jerusalem promotes knowledge about music with particular attention to the cultural heritage of various local communities in the Holy Land.

Given the critical social context in which the Magnificat Institute finds itself, only some of the students are able to pay tuition. For these and other reasons, Franciscan Foundation for the Holy Land has been providing music scholarships to talented, young Christians attending the Magnificat Institute in Jerusalem.

This is one of our approaches to establishing peace and preserving the Christian presence in the Holy Land.

WHY MUSIC?

Music is an art that unites people of different languages and belief systems. It overcomes differences and establishes a common purpose achieved by working together. The Magnificat Institute of Jerusalem was founded in 1995, thanks to the work of musician and composer, Father Armando Pierucci.

MUSICAL ACTIVITIES

Musical activities outside of school provide great opportunities and hope for the children throughout the Holy Land and for their families.

THE MAIN OBJECTIVES OF THE MAGNIFICAT INSTITUTE

The main objectives of the Magnificat Institute are to foster dialogue, peaceful coexistence and human and social development amongst people and children of diverse cultural and religious backgrounds in the Holy Land. Learning music provides a very worthwhile alternative to otherwise difficult living situations for many families throughout the region.

**We belong to the
COMMUNITY as they
belong to us. We are
GOD'S people in the
Holy Land today.**
